The Star Maker

Author:

Laurence Yep

Reading Level: Grades 2-4

When Artie promises his mean cousin that he will give *everyone* firecrackers on the next Chinese New Year celebration, he immediately regrets it. How will he ever come up with enough money to buy all those firecrackers? Sympathetic to Artie's problem is Uncle Chester - a fun loving everyman who is wildly popular in Chinatown where Artie's family lives. Uncle Chester promises Artie that he will help - but when Uncle Chester's seemingly endless money starts to run out, Artie begins to worry.
