## Now is the Time for Running

**Author:**

Michael Williams

**Reading Level:** Grades 7+

25 year-old Innocent is the big brother but 15-year-old Deo has always been expected to take care of him because Innocent is "different".

When the president's soldiers come to their Zimbabwe village bent on finding all who voted for the opposition, Innocent talks back to the soldiers and is dragged away. While the soldiers are distracted, Deo slips away and finds his brother staked out to die. As Deo cuts his badly beaten brother loose, shots ring out. Everyone in the village is killed except Deo and Innocent.

Deo knows they must get to safety, but how can one boy and one injured, disabled man survive in a land of heartless soldiers, dangerous refugees and wild animals?
