A Boy and a Bear in a Boat

Author:

Dave Shelton

Grades 1-4

A boy, looking to go to the other side, hops into a bear's boat for what he is assured will not be too long of a journey. Hours later, the bear continues to assure the boy that They. Are. Not. Lost. Sometimes unforeseen anomalies arise, you know.

Days later the two have run out of sandwiches.

A simple, quiet adventure story perfectly tailored for a bedtime read-aloud, *A Boy and a Bear in a Boat* recalls cozy, character-rich classics with plenty to think about, yet is one of a kind and quite quirky.
