## Vodník

**Author:**

Bryce Moore

**Reading Level:** Grades 5 - 8

After Tomas' house burns down, his family moves back to Slovakia where they had lived until Tomas was five and where he had nearly died. Soon after his arrival in his mother's home town he begins to have strange encounters with Slovakian legendary characters. Everyone, from Death herself to a crazy water vampire, known as a vodnik, seems to remember him and want something from him.
