Lyric Opera of Chicago 2013/14 Season

The Lyric Opera of Chicago is one of our area's greatest cultural institutions and it is currently part way through its 2013/14 season. November performances include Wagner's Parsifal and Verdi's La Traviata. Among the excellent resources created by the Lyric in conjunction with this season is a series of commentaries free to stream or download from their web site. These commentaries feature a quick plot synopsis, musical highlights and information and anecdotes surrounding the history of each opera.
