Try Out This Month's Reading Readiness Art Project

Rain or shine, be sure to check out this month's art project in the Reading Readiness area. The spotlight book for April is "Raindrop, Plop!" by Wendy Cheyette Lewison.

This counting picture book is a great way to say hello to the rainy season. With rain comes puddles to jump in, and we have all the supplies to make a paper lace up rainboot (see below). Glue on a googly eye and you will have one just like in the book.

The art table is just one of the activity stations in the Reading Readiness area designed for helping your child develop early literacy skills through play, so come explore!
