Turn up the heat on your Summer time jams

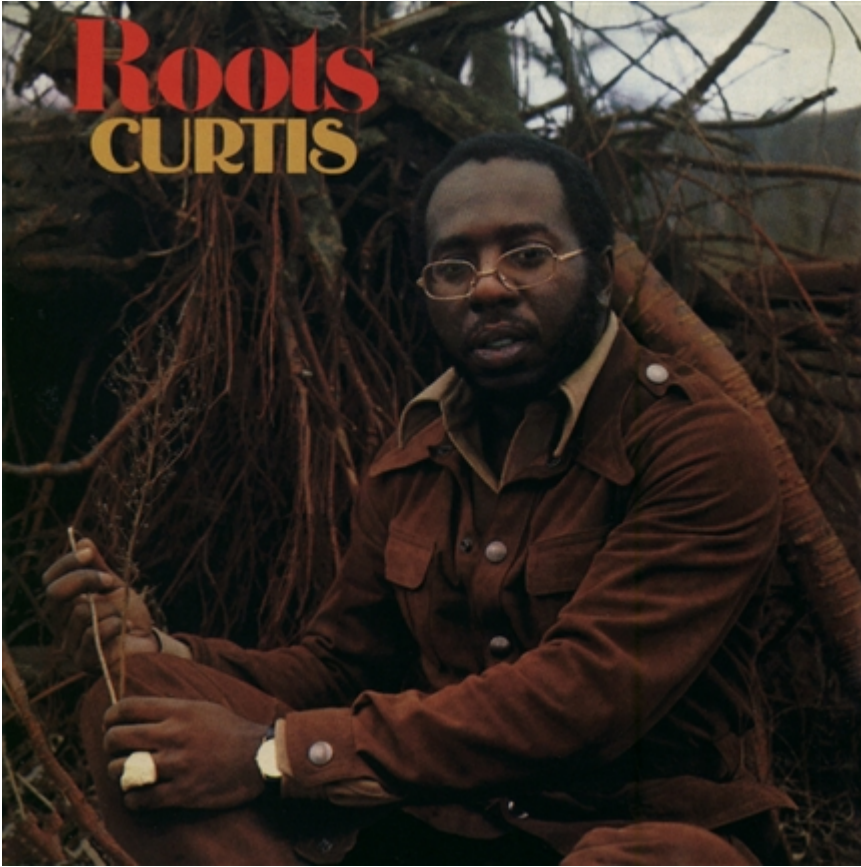

Every essential summer party needs music! With a Highland Park library card you can download complete albums or individual songs, stream hours of music, create playlists and much more all for FREE.

We offer you two digital music platforms: [Freegal](#) and [Hoopla](#). Both have apps for [Apple](#) and [Android](#) devices or can be accessed from a PC. There are literally hundreds of thousands of songs for you to choose from, so get started now. In the mean time here are five albums selected from Hoopla we think will turn the heat up on any Summer time jam:
