## The Trouble with Chickens

**Author:**

Doreen Cronin

**Illustrator:**

Kevin Cornell

**Reading Level:** Grades 2-4

Jonathan Joseph Tully, a retired Search and Rescue dog, is hired by worried mother Millicent to find her two missing chicks, Poppy and Sweetie ? but this SAR mission is not as simple as it seems.

The Trouble with Chickens is the kind of book that will make you stop and read aloud hilarious sentences to anyone nearby. Cronin has taken a very simple missing-child mystery and turned it into something much denser. Younger readers may not fully appreciate all the humor of J.J.'s detective style, but will certainly find themselves immersed in the mystery from the first page.
