

Fall 2008 - The Nine by Jeffrey Toobin

In *The Nine*, acclaimed journalist Jeffrey Toobin takes us into the chambers of the most important - and secret - legal body in our country, the Supreme Court, revealing the complex dynamic among the nine people who decide the law of the land. An institution at a moment of transition, the Court now stands at a crucial point, with major changes in store on such issues as abortion, civil rights, and church-state relations. Based on exclusive interviews with the justices and with a keen sense of the Court's history and the trajectory of its future, Jeffrey Toobin creates in *The Nine* a riveting story of one of the most important forces in American life today.
