Hold Me Closer, Necromancer

Author:

Lish McBride

Reading Level: Grades 8 and up

It all started when Sam broke a taillight during a game of parking lot potato hockey. Sam and Brooke did what most teenagers would do..they ran. When Douglas Montgomery stormed into Plumpy's, his only thoughts were of his broken taillight and retribution. When he noticed Sam his fury raged. How dare a young necromancer infringe on his territory?

Sam doesn't know what the scary dude is talking about. He's just relieved when the guy finally leaves. It isn't over. When Sam is viciously attacked after work by an even bigger scary guy, he knows he's in trouble. Sam begins to realize how much trouble after he receives a warning from Montgomery...a severed head.
