Coming Soon: Book Match Nooks

There's a lot more coming in May than warm weather and flowers. For the first time some of the Book Match titles will also be available on Nooks.

Starting May 1st anyone aged 8 and up can check out one of the Youth Services Nooks for three weeks. Look for the display on the side panel of the Book Match book shelf.

The Nooks and the Book Match e-books were generously funded by the Trillium Foundation.
