Fatty Legs: A True Story

Author:

Cristy Jordan-Fenton

Reading Level: Grades 3-6

Be careful what you wish for.

After her older half-sister reads her part of Alice's Adventures in Wonderland but refuses to tell why Alice followed the rabbit down the hole, nine-year-old Olemaun nags her parents to send her to the school of the white outsiders. Even though her father warns her that they will cut her hair, give her a new name and not allow her to speak their language, Olemaun so desperately wants to read that she persists until she gets her way.

Once in the clutches of the dark-cloaked nuns, Olemaun realizes what a horrible mistake she has made. Somehow she must hold onto who she is until she can finally return to her people.
