Captured

Author:

Maggie L. Wood

Reading Level: Grade 6-8

It has always been just Willow and her Nana. 15-year-old Willow has grown up listening to her grandmother's fairy tales about a magical realm called Mistolear. Willow used to enjoy the stories but as her grandmother slips further and further into Alzheimer's, hearing Nana talk of a fantasy world as if IT is the reality hurts.

One of her grandmother's fantasies was the "summoning spell" game where you could touch a special crystal and travel to another world. Willow had believed in the game with all her heart...when she was seven.

As her grandmother's illness progresses, Nana insists Willow carry the crystal at all times so they will be ready to travel to Mistolear when the time is right. On the night her Nana died, Willow touched the crystal and wished to be in another world. She woke up in Mistolear where she is greeted as the long lost royal princess who will save the land.
