

# Picture This - Kitchen Edition

Find and photograph:

Something made with yeast

Something bland

Something that you use to measure rice

Something round and edible

Something slippery

Something that grew in the ground

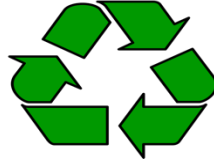

Something that grew on a tree

Something that melts

Something that can be recycled

Something sticky

Something that crunches when bitten

Something that can be ground

Something people use to throw over their shoulders if it spilled

Find, photograph, and send your pictures to [youth@hplibrary.org](mailto:youth@hplibrary.org), or tag us at @494laurel #digdeeper, for a chance to be featured on our Instagram site

A recipe that uses butter

A whisk

Something that can be 400 degrees

Something that can be used to wrap food in the oven, but not in the microwave

A can of beans

Something that has a lid

Something that can count down time
